## **Programme Manager Somalia** - A Somali national position - DKH Somalia

### **Vacancy announcement**

DKH Somalia is in search for a “Programme Manager Somalia” (PM). This is a national Somali position based in Mogadishu.

Tasks of the position include to ensure the smooth and correct implementation of projects through direct or remote monitoring of projects that are implemented by local humanitarian partners, usually in South-Central Somalia, attending meetings of national clusters that are based in Mogadishu, and involvement of project planning and proposal writing. The incumbent will be member in the Senior Management Team. The position includes travelling to project sites in Somalia, to meetings in Nairobi and eventually other international destinations.

If you are interested in applying for this position please request the full job description at “[recruitment.som-pm@diakonie-katastrophenhilfe.org](mailto:recruitment.som-pm@diakonie-katastrophenhilfe.org)” and submit your CV and motivation letter to the same email address before the deadline of Wednesday, 22<sup>nd</sup> November 12 p.m. (midnight) EAT. Candidates are advised to apply early because recruitment is urgent and DKH will recruit as soon as a suitable candidate is found.

This position is limited for 1 year depending on the availability of funding.

DKH is an equal opportunity employer. Female and disabled candidates will be preferred under the condition of equal qualifications and skills for this position.

Only shortlisted candidates will be contacted. All data from other candidates will be permanently deleted when the recruitment process is finished.
