

EXTERNAL JOB ADVERT

Job title: Armed Violence Reduction (AVR) Coordinator

Employment category: G3

Reporting to: AVR Manager

Direct reports: Project Officers

Unit/department: Programmes

Location: Beletweyne with travel to field locations

Authorization level: As per the IDRA

Overall purpose of the role: (1-2 sentences)

The Project Coordinator is responsible for the overall supervision and coordination of Project activities in the geographical locations. They ensure that all relevant protocols and the guiding manuals for project implementation processes and results are achieved per the project's logical framework. They are also required to liaise with the AVR manager and other senior members of staff for quality control and overall programming support as well as supervise Project Officers.

Responsibilities:

- Ensure that the staff members are following the relevant protocols and the guiding manuals for project implementation processes and results to be achieved as noted in the project's logical framework.
- Create and sustain a work environment of mutual respect where DDG project team members strive to achieve excellence.
- Promote accountability, communicate expectations and provide constructive feedback via regular performance review and goal setting.
- Ensure local authority and other local partners are informed about the achievements of the project and work with the AVR Manager to ensure complementarities and synergies with similar indicatives.
- Ensure all the M&E requirements and standards described by the M&E team are followed and trained to the facilitators as well.
- Prepare annual, quarterly implementation plan stating activities with timeline and key outputs
- Build the capacity of the project staff through trainings especially on community dialogue facilitation, participatory planning and state-community engagement in coordination with the AVR Manager and the Regional AVR Specialist.
- Liaise with the existing community structures including, social structures and the local authorities promoting collective actions in addressing common needs of the townspeople.
- Coordinate and organize extensive community dialogue and discussions among the community groups as well as between the community groups and state administrations through consultative meetings and engagement forums.
- Collect relevant data and information required for writing location specific conflict analysis to ensure project implementation follows conflict sensitive approach.
- Coordinate with the community structures in the carrying out community grants by providing technical guidance through which local community structures/taskforces and local administrations will be able to implement activities identified through government – community engagement.
- Coordinate gender mainstreaming activities
- Ensure the quality and accuracy of all documentation produced by the project team in the field.
- Check and sign all order request forms coming from the teams after having ensured that the items are necessary and money is available in the relevant budget lines
- Ensure that all financial procedures are adhered to, including rules for compensation for community members.
- Ensure that operational expenditure for the activities are in accordance with the budget allocated.
- Exercise due diligence in the care and maintenance of all assigned equipment, including computers and communication equipment
- Produce monthly cash forecast for the project activities and other operational cost.
- Any other tasks assigned by the AVR Manager.

Experience and technical competencies: (include years of experience)

- Minimum of 2 years working experience with humanitarian international NGOs or operational UN agencies
- Minimum of 1 year field experience in conflict affected areas in Somalia
- Preferably experience in the areas of conflict resolution, security governance and/or community based programming
